(Read about why we launched our on-demand hairdressing service, Yeluchi by Un-ru). As we are still growing and have a comprehensive process of vetting stylists, sometimes we book ourselves completely and have to turn around people looking for Down. (No (No We like to work, but I think it's a good problem? ☺). Anyway, we decided to share some business love with fellow NYC hair braids and we've compiled a list of some of Brooklyn's best, including us! I hope this is useful! And if you know about the stylist or salon that should be on this list, leave your name in the comments! Oh, and I created a nice little card for you guys at the end of this post! (Note at the beginning: general prices and reviews are from the date of publication of this post).
